

CLR Bilingual Materials
for Language Learning and Recreational Reading

It is a universally acknowledged fact that a known language can be fruitfully used to learn a new one. Based on this premise, the **Centre For Learning Resources** (CLR) has developed a range of bilingual materials for children, some of which are featured here.

Bilingual Storybooks

Editions in Marathi-English, Hindi-English, Urdu-English

Graded Bilingual Series for Beginners

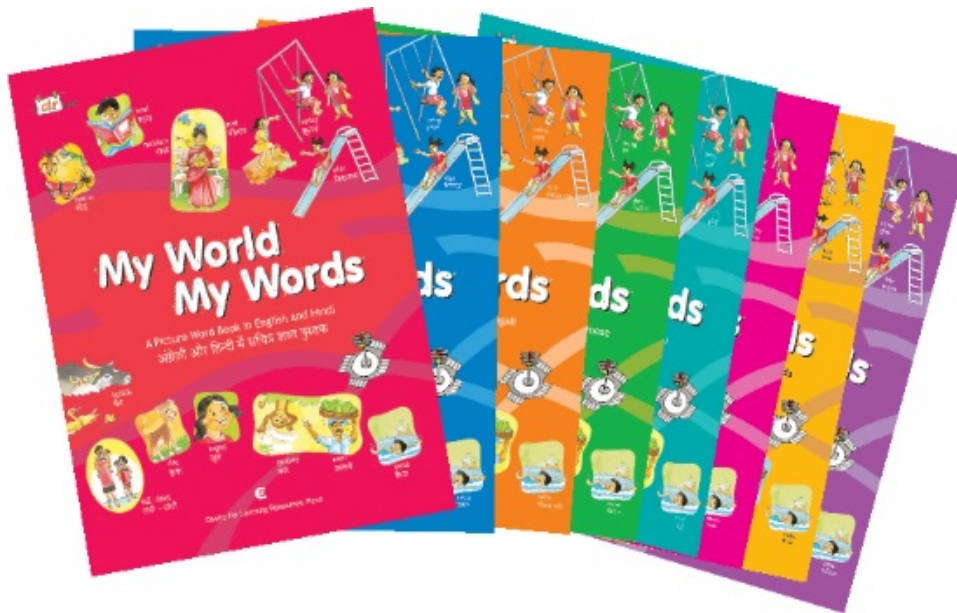

Editions in Marathi-English and Hindi-English

A set of child-friendly graded booklets entitled **'Let's Read'** / चला वाचूया / आओ पढ़ें

Bilingual picture word books entitled 'My World-My Words'

12 Editions: English-Hindi, English-Marathi, English-Telugu, English-Malayalam, and similar editions for Urdu, Tamil, Assamese, Kannada, Gujarati, Bengali, Punjabi, Oriya

Each edition features a basic vocabulary of about 1000 words. Developed through CLR's extensive experience in teaching English in regional medium schools, as also reference to authoritative dictionaries and consultations with leading experts in each language. Colourful, field-tested illustrations capture the rich diversity of the world of Indian children, both rural and urban.
